

Systems engineering major.
Problem solver.
Dancer extraordinaire.

Let's chat about what you're into, and where you see yourself.

At Goldman Sachs, we believe who you are makes you better at what you do. For us, it's all about bringing together people who are curious, collaborative and have the drive to make things possible for our clients and communities.

Our Engineering teams, comprised of our Technology Division and global strategist groups, build solutions to some of the most complex problems in the industry. From automated trading to managing data, risk analysis to safeguarding information and promoting environmental sustainability, our commitment to best-in-class technology provides Goldman Sachs with a competitive edge.

Interested? We'd love to meet you – join us at our upcoming event to meet us and learn more about the opportunities we offer.

Goldman Sachs Engineering Africa Recruiting Initiative Event in Nigeria

We invite students graduating in 2020 and 2021 to attend a two-day event to learn about career opportunities in our Engineering organisation and how to succeed in the recruitment process.

Selected students will have an opportunity to interview for a summer internship on the third day.

Note that you do not need to apply separately to the Engineering Summer or Full Time programme.

6 - 8 February 2020

Location: Central Lagos
Exact location and timing will be shared with successful candidates.

Make things possible.

Register by 1 December
